Planning

Plans have been passed for the new sports hall at The Ockendon Academy

AOB

The Friends of Blackshots group will be having a further meeting with Steve Cox for an update on the rebuilding the pavilions on the field. It is expected they will be built in phases. A path has been built across the field from the roundabout and the children's playground has been fenced.

The changing rooms at Tilbury Daisy Field have been demolished as they have suffered so much vandalism.

The Orsett Heath Park Run participants are pleased with the newly refurbished facilities in the Pyramid Centre. They take their equipment home, especially the defibrillators.

Next meeting AGM 9th April.

Meeting closed at 8.45pm
